

TYLER BICKEL

Industrial Designer

ABOUT ME

I am a passionate Industrial Designer who enjoys finding and seizing design opportunities within varying areas of focus. I believe that designers can contribute to a positive impact on the world in a very tangible way. This attitude keeps me striving to develop my skills and keep exploring.

EDUCATION

Bachelor of Science
INDUSTRIAL DESIGN

 San Jose State University  2011-2017

Studied strategic thinking, design history and theory, user-centered design, sustainability, model-making, materials and manufacturing, and innovation in technology.

WORK EXPERIENCE

DESIGNER

 Kitchen Experts, Inc.  2017-Current

Worked with a team to complete drafting, CAD design, rendering, and consultation to customers. Also handled graphic and web design work to update the company brand.

DESIGN INTERN

 RSM Design  2016-2017

Created mockups and renderings for wayfinding and placemaking in the built environment. Integrated graphic design concepts to create connections between people and places.

LEAD MANAGER

 Cafe Milan  2015-2016

Responsible for recruiting, training, and supervising employees. Maintained shift schedules and inventory. Also planned cafe brand updates for renovations and new menu items.

OFFICE INTERN

 Bickel Underwood Group  2014-2015

Responsible for photography and the documentation of projects. Designed and developed a new company website.

ASSISTANT CHEF

 CollegeFresh Catering  2014-2015

Kitchen staff member and main server. Assistant to the head chef. Helped maintain inventory and manage the staff.

LEADERSHIP ROLES

IDSA PR CHAIR

 Industrial Designers Society of America, SJSU Chapter

RECRUITMENT CHAIR

 Delta Sigma Phi Fraternity, Gamma Epsilon Chapter

AS PRESIDENT

 San Juan Hills High School, Associated Student Board
